

Newberry Main Street at a Glance.....

By Barbara Hendrix

As you know by now we have postponed Our Annual Community Unity Day Festival for the time being. This is due to circumstances beyond our control, Economy, Volunteers and funding. Our Fall Festival is still on schedule.

Right now we have Friday Fling in Historic Downtown Newberry every Friday from 12 noon till 6pm. This is where vendors can come and bring their crafts, artwork, home made canned items, sauces, baked goods, fruits ,vegetables and plants.

We also have started a Newberry Saturday Morning Market which operates from 8am till 2pm every Saturday. Both of these events are located in Historic Downtown Newberry on W. Newberry Road on the east side by the Railroad tracks. We are looking for vendors that would like to sell their goods and consumers to participate and find items they are interested in that are for sale at the Market.

These two weekly events are the result of Newberry Main Street whose goals are to work together with the businesses, residents, and government whose focus is for the Economic, Historical, Physical and Social revitalization of the Newberry Community.

These open markets help the vendors sell their goods. It helps the consumer buy local and in many cases save money. The businesses benefit from the influx of consumers coming to Newberry. The rules, regulations and the application are posted on our web site or can be picked up at one of the events. For more information call 353 494 5360
